The W.C.I. Senior Football Ironmen faced a great challenge in the 1984 season. Along with York Memo and East York the Ironmen were joining the strong City of Toronto League. In the opening game Weston showed great all round teamwork in dismantling Humberside 30-1. Weston then went up against arch rival York Memorial, but had little trouble in tripling the Mustangs 21-7. The Ironmen finished their homestand against Jarvis Collegiate where Weston remained undefeated with a 15-7 victory. Weston then pulled one out of the fire with a 29-21 triumph over a team made up of Bloor, Parkdale and West Toronto. Finally the undefeated Ironmen went up against Central Tech. for the Western Division Championship. Playing an all round strong game Weston came back to tie Central 15-15 to take the division. Then in the play-offs Weston eliminated Lawrence Park before bowing out to the eventual city champions, Northern. Overall the Senior Football Ironmen had one of their most successful seasons and wish to thank both the coaches and fans.

For our 1984 JUNIOR FOOTBALL, the championship was "so close" but, in the end was also "so far away" as they lost the championship final to Leaside after having defeated George Harvey in the playoff semi final. Except for the final game it was an exciting season for the Junior Ironmen as a team of experienced players combined with a fine crop of rookies who performed very well winning four of their six league games. It is expected that next season the junior team will enter the city junior league in a younger age category. Congratulations, however, should go to all the players for a very fine season.

The Weston Sr. Hockey Ironmen again proved successful in 1985. During the early part of the year however, the Ironmen were hot and cold, and it showed in the First Annual W.C.I. Wes Boddington Memorial Tournament. The Ironmen started off strong winning all three of their preliminary games, but then dropped both the medical games and had to settle for fourth place. Earlier in the year the Ironmen also had to settle for fourth place in the prestigious 'Pepsi Tournament'. They came close to grabbing a medal after winning twice but lost a close game to Henry Carr 4-3. Weston's most successful tournament was the Oakville Tourney. Last year the Ironmen brought home the bronze from Oakville, but this year Weston went undefeated before losing the championship game 3-2 against a strong Kitchener Grand River Squad. During the York Senior League regular season the Ironmen finished 2nd with a 6-3-1 record before facing arch rival York Memorial in the semi-finals. The Ironmen easily took the opening game 6-4, but York Memo evened the series with an exciting 2-1 overtime victory. This forced a 3rd and final game at Weston Arena. Things looked bad for the Ironmen. Late in the 2nd period Weston trailed 6-3, but managed to score once more before the period ended. Then after closing the gap, late in the 3rd period Weston tied the score 7 sending the game into sudden death overtime. After end to end action and with just over a minute on the clock Weston scored to take the series and move on to a rematch of last years final against Leaside. The one game showdown took place at the Leaside Gardens where the Ironmen played an all round strong game defeating Leaside 5-2 to bring the championship back to W.C.I. for the second year in a row.

The Junior Hockey Team had a very successful year winning eleven games and losing one. They then defeated Runnymede in the semi-final match. At this time they are set to play George Harvey for the City of York Championship. The team this year had a lot of good hockey players who came together as a team and played an aggressive and fast moving game. Although a number of players will be moving on to the senior team next year there will still be a nucleus for another strong contending team next year. I wish to thank the players for their dedication and help this year.

The 84-85 Wrestling Season began as a building year for a basically rookie team. As the year progressed, the team racked up victory after victory, until the season ended with an impressive 17-0 record. Weston went on further to win the YORK CHAMPIONSHIPS for the sixth year in a row.

Eighteen members of this championship team qualified for the Toronto District Finals. Here the team fought exceptionally well and placed second to the winners (M.C.I.) by only 2 points. From the T.D.'s four members qualified for the ALL ONTARIOS, these were William Buitron, Pat Trudell, Silvio Urbano, and Dave Giacomazzo.

The 84-85 year was a perfect example of what hard work and practice can do. What a fantastic year. The future looks very bright.

1984-85 was the best year for co-op that Weston has ever had. Over 95 students took part in the five different programs that were offered. Student placements included radio and television stations, legal firms, newspapers, graphic arts studios, banks, the police department, day care centres, hospitals, recreation centres and a variety of technical placements including electrical, drafting and machine shops.

Every co-op placement provided the students with a unique learning experience that is generally unavailable within the school. Isn't it time that you found out about co-op?

YOUR FRIENDSHIP

I thought of you last night
And the friendship that we share
The way you lift me off the ground
When I'm down and no one's there.

I thought of friends and enemies
Who influenced me in the past
But through tears and laughter
a friendship can last.

I run to you with my problems
Or joys which I think are good
But no matter what your opinion is
You took time, listened and understood.

No matter how I may be at times
I hope that you will see
Just how treasured and important
Your friendship has been to me.

Cheryl Williams

DEDICATED TO YOU

Alone in the darkness thinking of you,
Thinking of you and the things you do.
I remember the times we spent together,
Times together I thought were forever.

But I was a fool for as my heart shone,
I turned around to find you were gone.
The light in my heart dimmed
and I know it's true,
I've lost your love
and there's nothing I can do.

BREAKING UP

This had to happen
I hate today
The memories will linger
And the hurt will stay.
There was something there
That bothered me so
The hurt inside
For the love not to grow.
Days will pass
With many a thought
The ways I loved you
Or have you forgot?

ODE TO A SOCK

While cleaning my locker
What do I find
But an old, dirty gym sock
Of the smelliest kind.
I've not taken gym
Since I was in grade nine
So I stand there and wonder
If it really is mine.
I search thru my locker
To find one to match
But the search turns up nothing
'Cept an old blue jean patch.
How long has it been there?
I ask my stunned self
And why would I put it
On the uppermost shelf?
The reason escapes me
And I give up with a sigh
I guess it's just better
To let sleeping socks lie.

BEST FRIENDS

My friend you're unique;
One of a kind,
Whenever I holler for your help,
You're never hard to find.

I thank you for this,
You're always there, you show you care
Together we try and make life easier,
For we know it just isn't fair.

My life is yours,
For you cry my teårs;
And I share your joys,
Together we chase away our fears.

We'll live through life,
As long as we stay together.
We'll live tomorrow's road,
'Cause remember we're best friends,
Forever.

WAR ZONE

A silent mist lay upon the waters,
as cold and crisp as ever.
No one in sight,
not a whisper nor breath.
Quiet, calm, tarnished land,
sat still for today.
Not ever would you hear
the singing birds or
the happiness of children.
No sounds of life,
the stillness - painful,
leaving memories behind,
not another chance.
It was too late,
no warning, no fight.
It was here,
now it's gone.

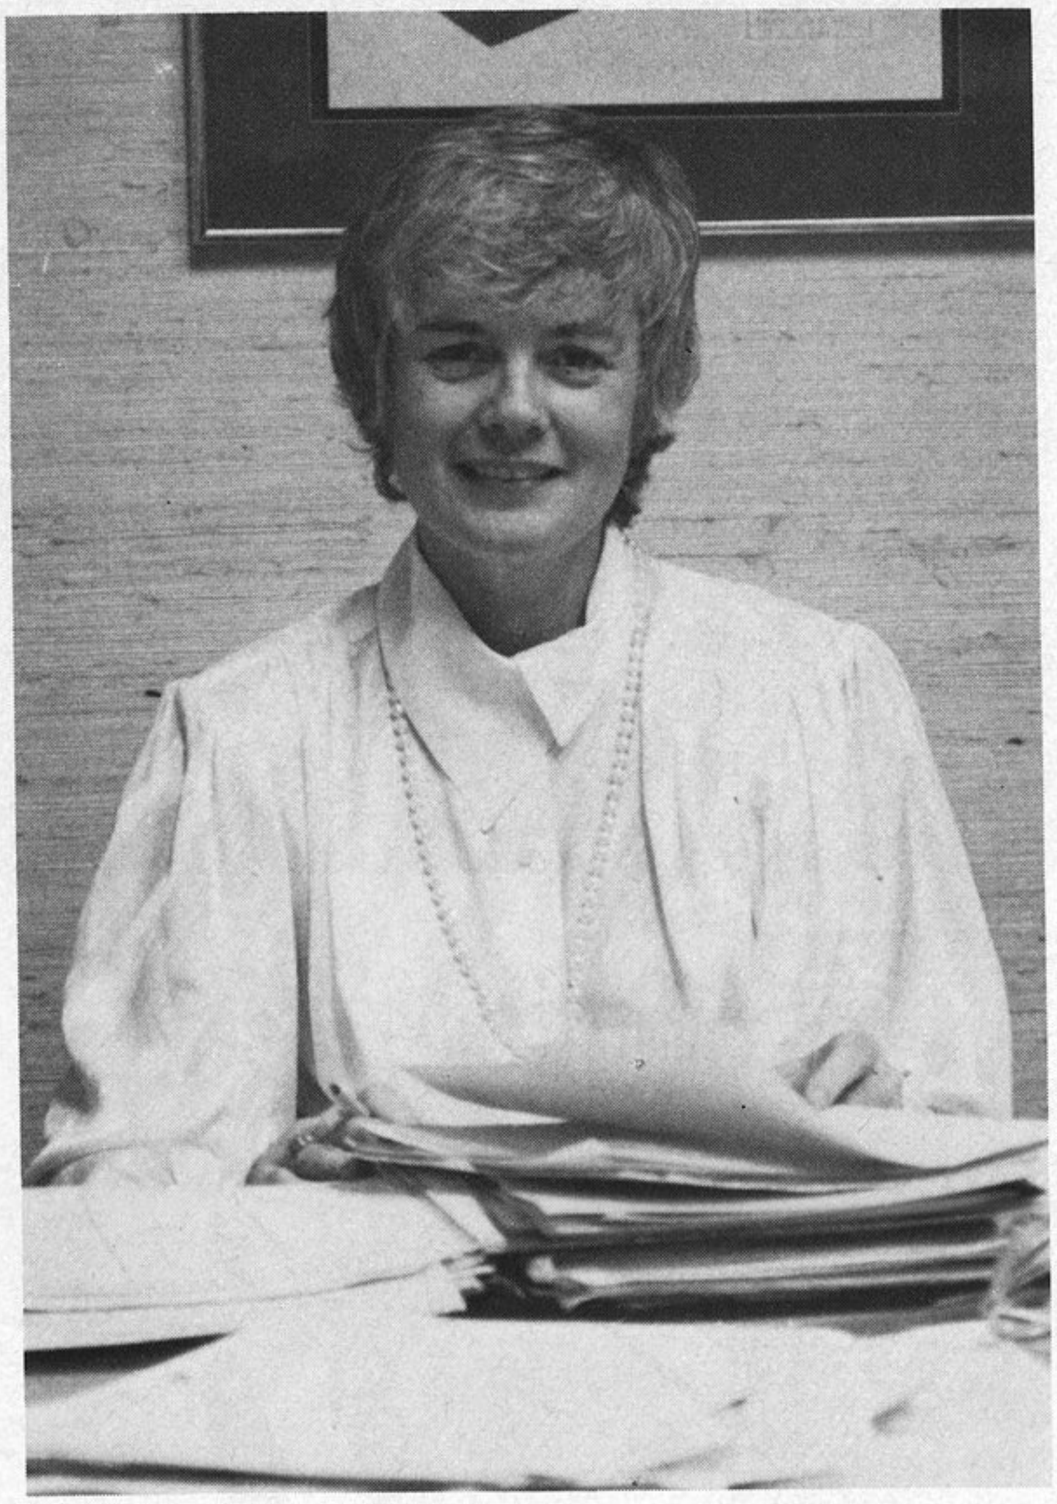
PRINCIPAL'S MESSAGE



Your editor, Bruna Rigato, has asked me to write a few words to all of you at Weston about our terrific 1984-85 school year. Although I am writing this in January, I know that the entire year will be one which Weston students will remember proudly!

Beginning in September with your successful Bargain Day promotion to promote the Yearbook and activity cards, and throughout the fall with so many winning teams, successful dances, a wonderful Open House, the Wes Boddington Hockey Tournament, Music Night, and the Christmas Variety Show, your enthusiasm and vitality was apparent. I know that your spring activities, the Charity Drive and the Prom will also be fond memories for you.

This year's Student Council and Conning Tower Staff have put in many, many hours of work on your behalf. I congratulate them for the excellent year they have planned and recorded for you. Your 1984-85 Conning Tower will be a wonderful reminder of the good friends and times which you had at Weston.

To all of you who are graduating: Congratulations! Your attention to your studies has been most worthwhile. I wish you much happiness and success in your future education and careers.

Sincerely,

C.A. Collyer,
Principal.

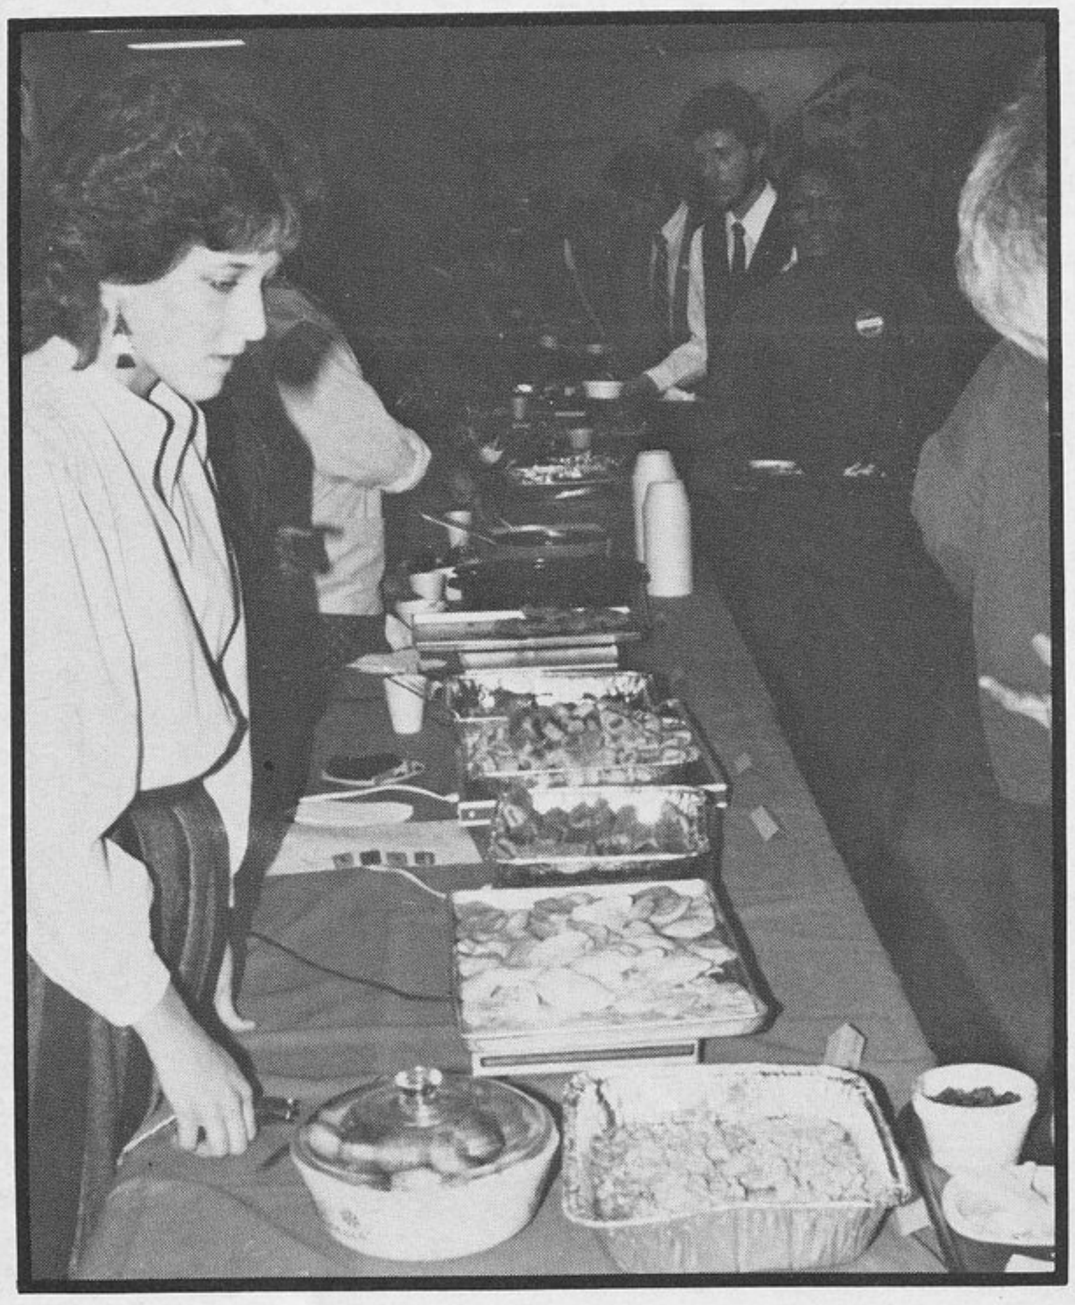
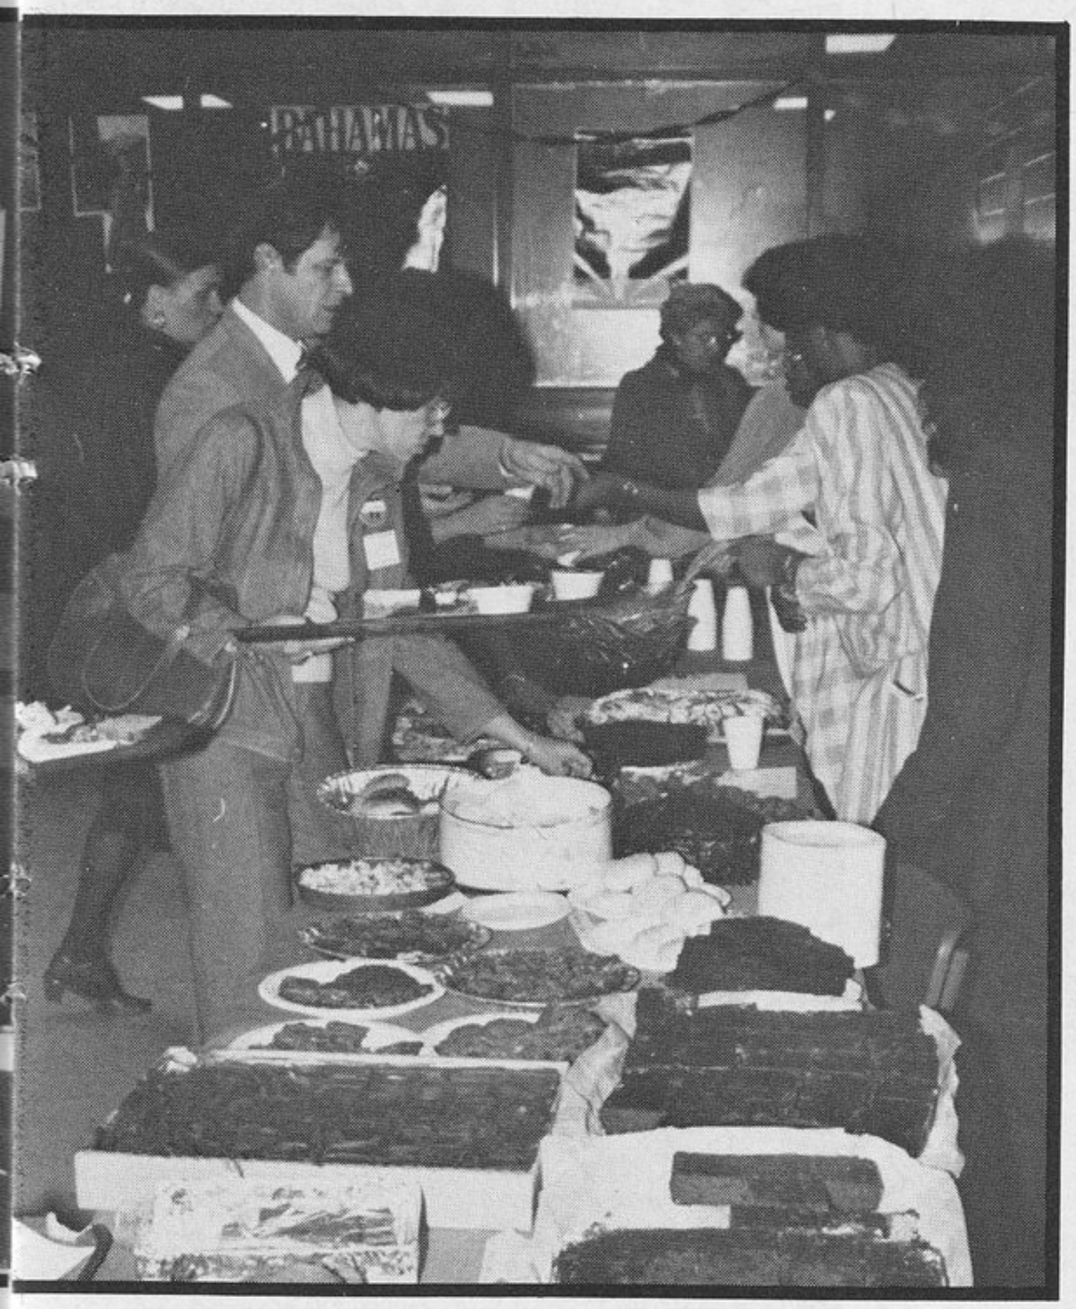
INTERNATIONAL BUFFET DINNER





FRIENDS FOOD FUN!

On December 6, 1984, as part of Weston's Open House festivities, the students of this school revived an old tradition, the International Buffet Dinner. It was one of the highlights of the evening.

Weston is populated by many diverse and interesting groups so you can imagine the variety of dishes! Among the popular items were Ackie and Salt Fish from Jamaica, Empanadas from Central and South America, Dim Sum from China, Lasagne and Pizza from Italy, Greek Salads, and Samosa from India, to name but a few. Judging from the lack of leftovers, I can safely say that the evening was a culinary hit. Hats off to you Weston for a job well-done!

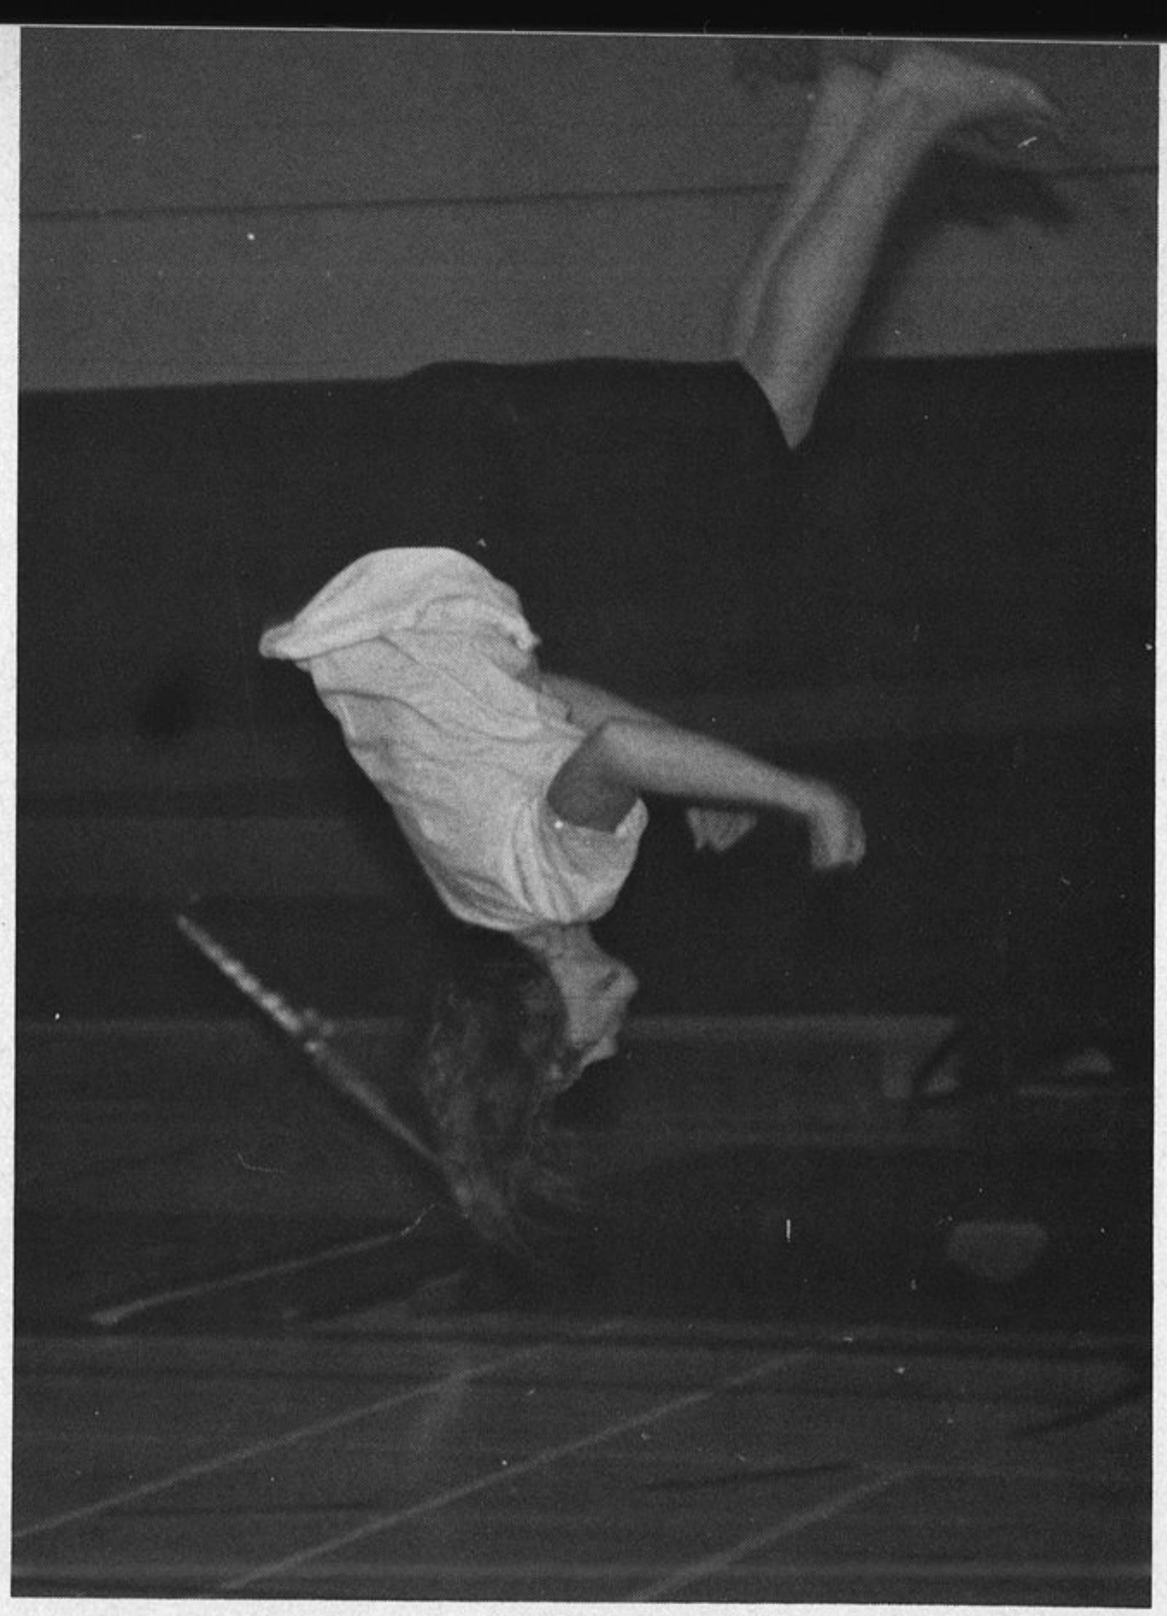
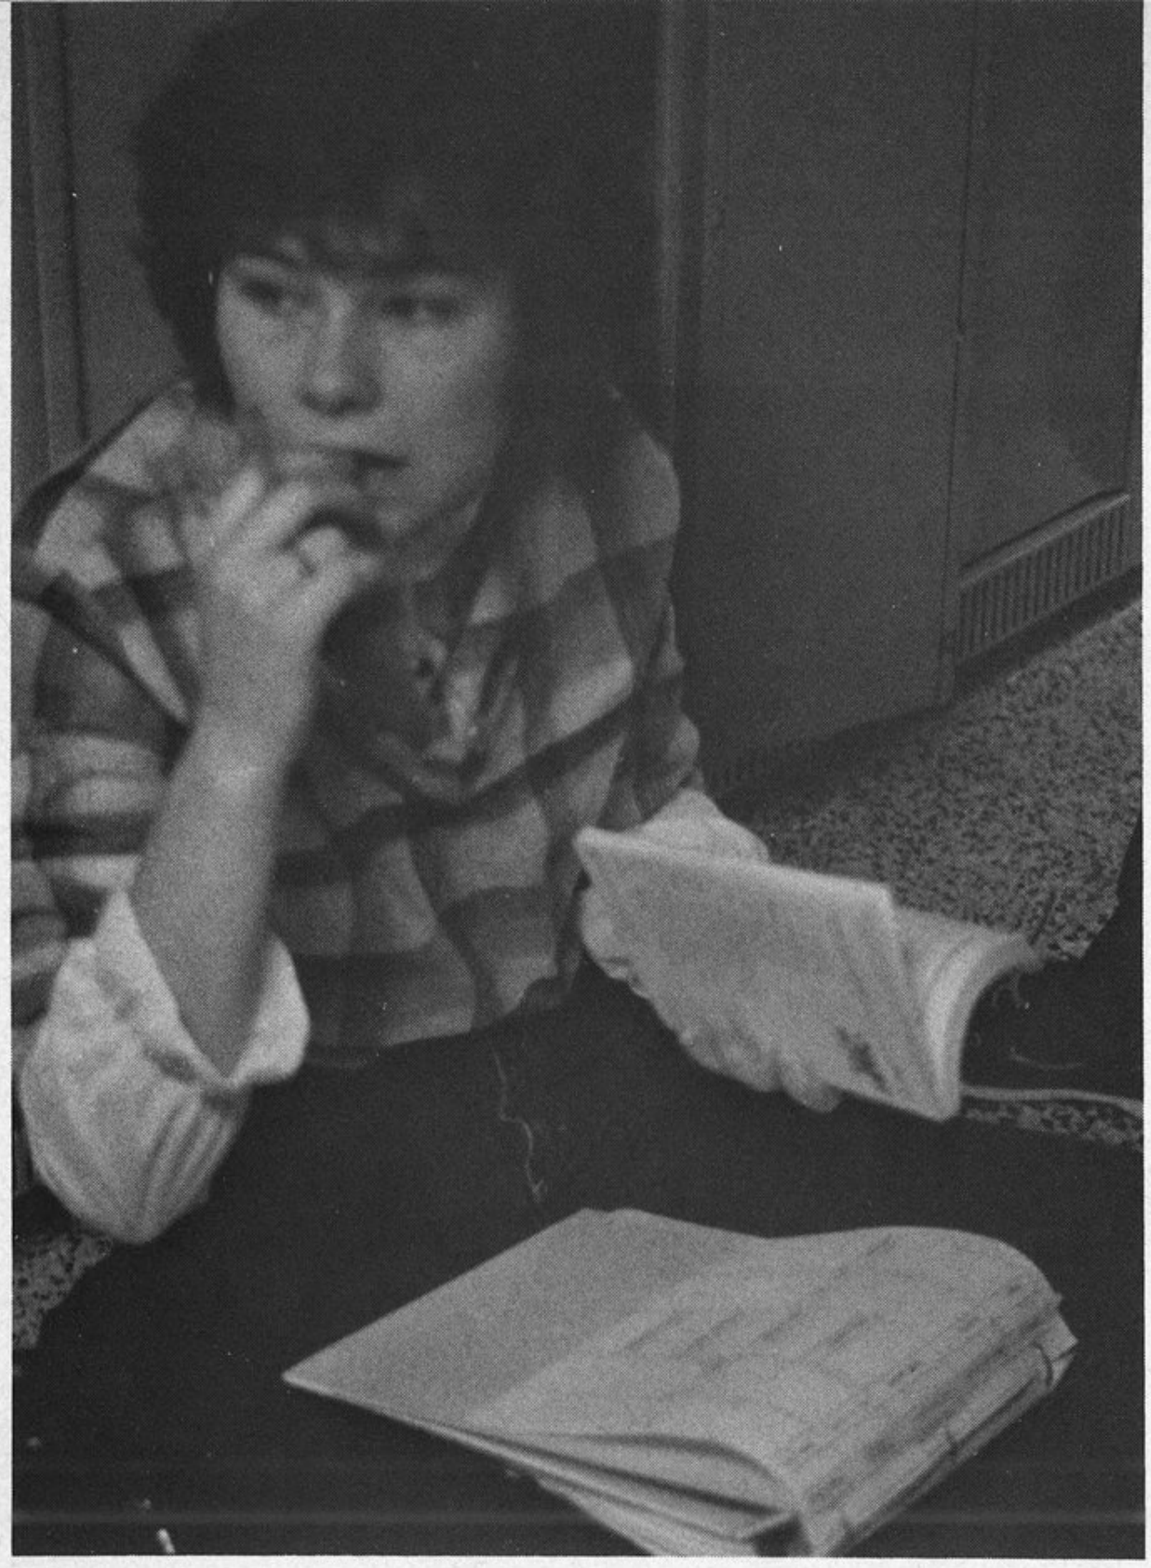
A V.P.'s job is never done!

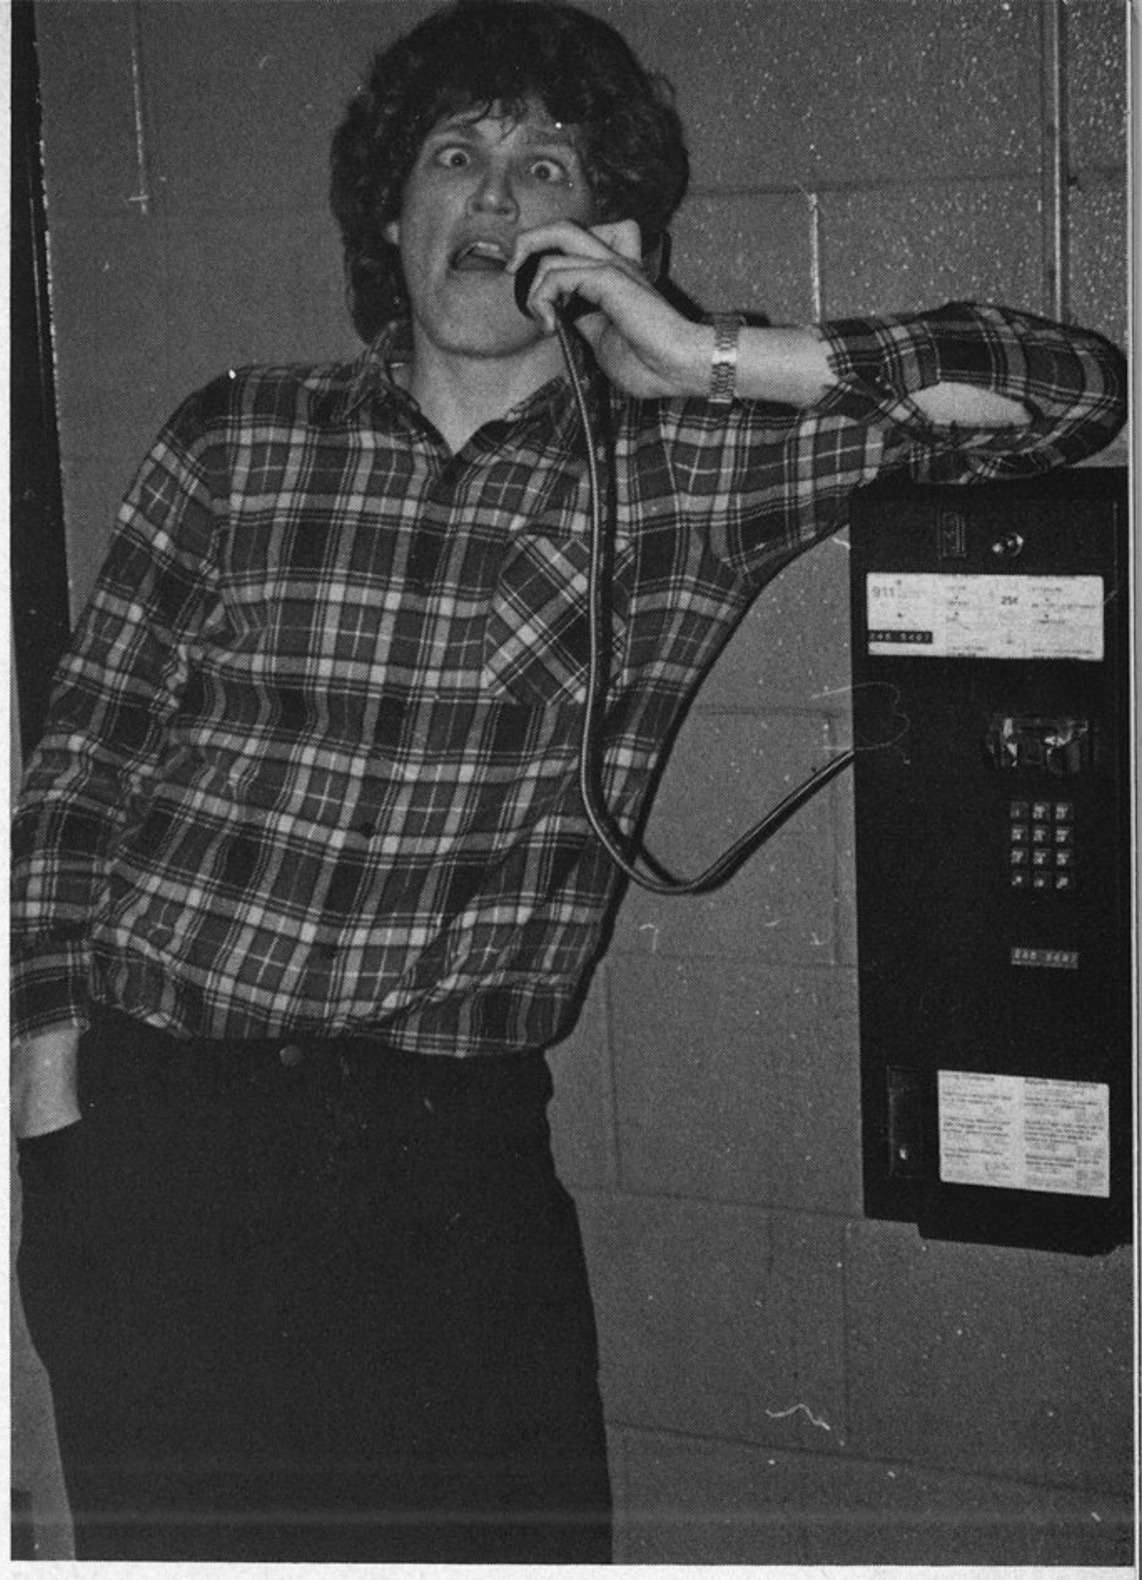


I'm so confused!

Is it break-time yet?

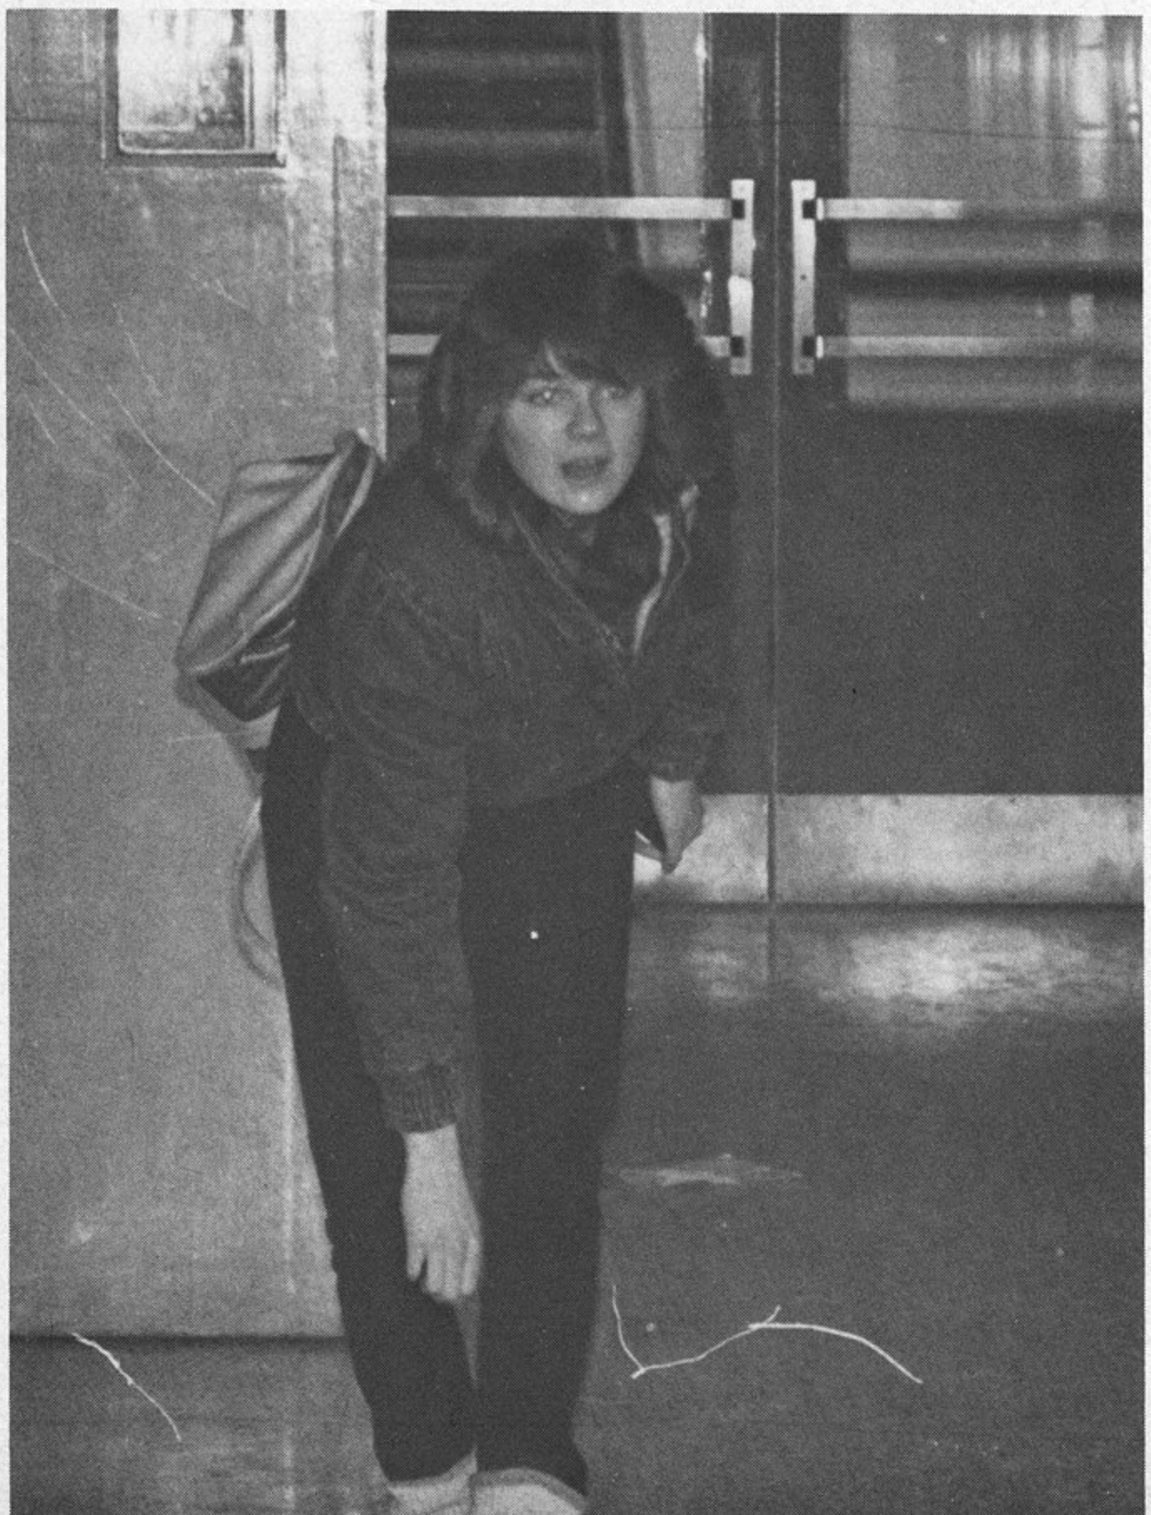


What am I gonna wear?



Yeth, Mathter . . .

You're what?!



They'll never know who did it!

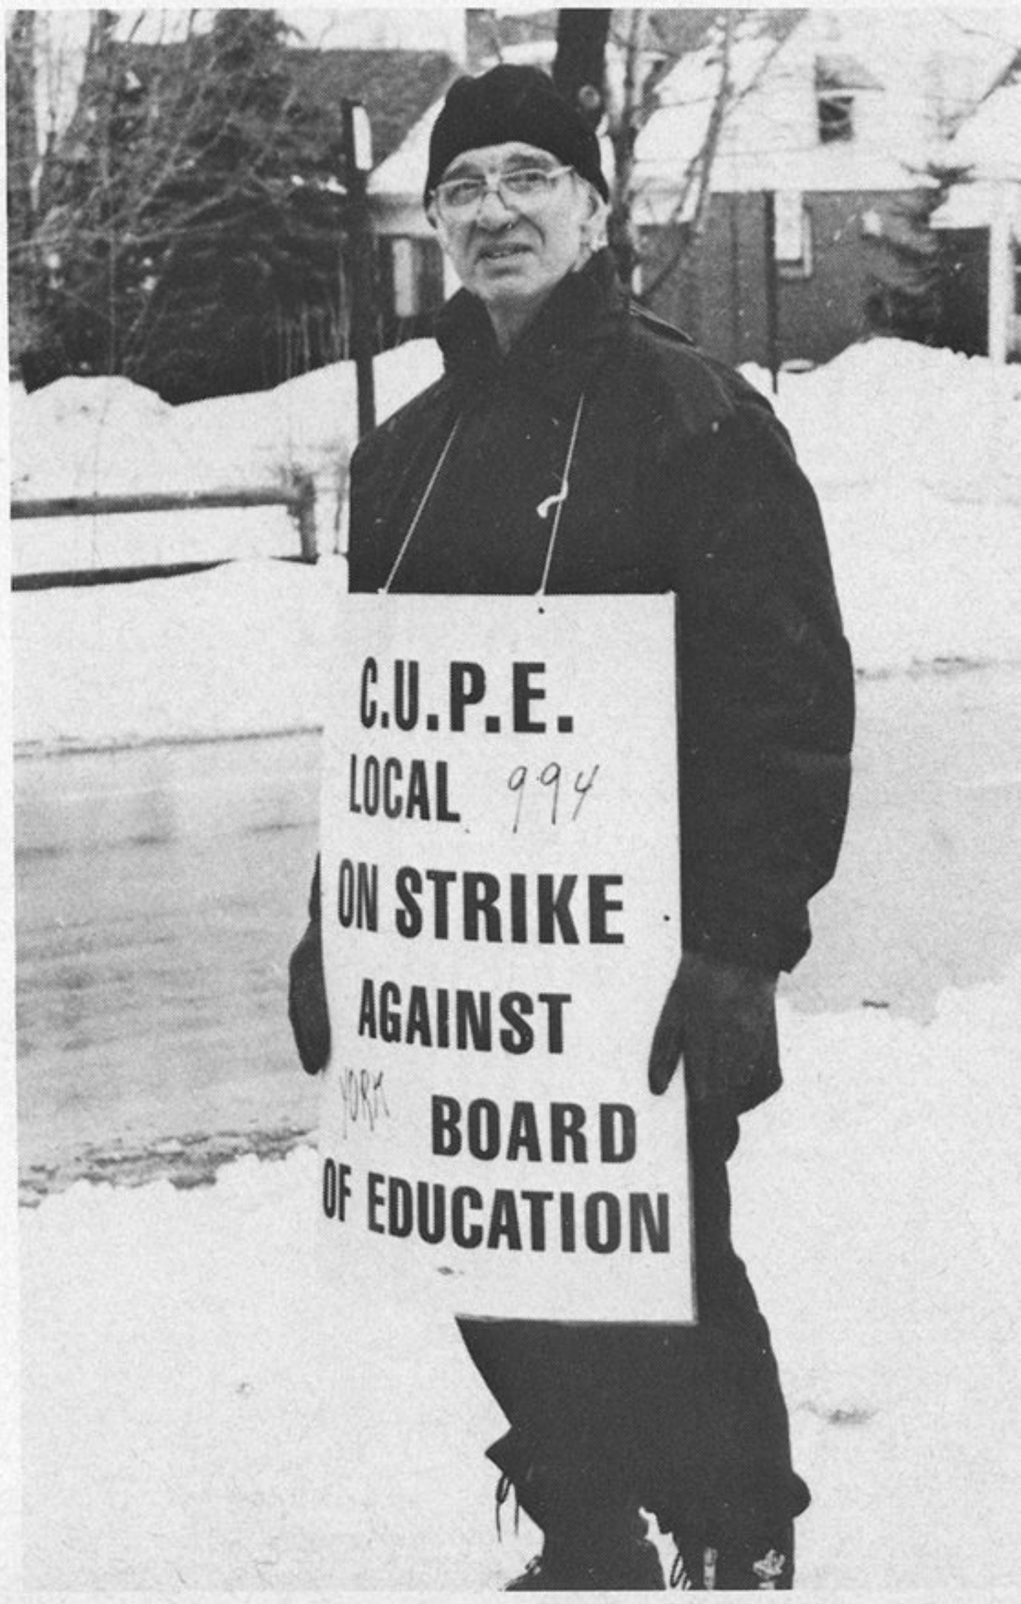
THE YEAR IN REVIEW . . .


This year has held many events for us, both as a country and a community. We had some prestigious visitors: the Pope, who toured the country and shared his message with our multicultured communities, and the Queen, who received an enormous amount of cheers as she drove through the streets of Toronto. A couple of other happenings include the missile protests and the Morgentaler controversy. Many other notables that occurred, nationwide, were Trudeau's retirement, the Progressive Conservatives taking over leadership, the Canadian Arm going out into space, Canada winning the Canada Cup vs. Sweden and the incredible Tall Ship exhibits throughout Canadian Ports. Throughout the world some of our neighbouring nations were not as fortunate with their events: the Ethiopian famine received much needed recognition resulting in worldwide foreign aid, the USSR shot down a Korean plane resulting in the loss of innocent lives and the USSR lost it's third leader in three years. In our own community of Weston, we saw many things happen. One of the most recent event, which affected us personally, was the caretaker's strike.
